

VILLAGE OF CHELSEA

February 13, 2004

MEMO TO: Zoning Board of Appeals Members

FROM: Karon Barbour

SUBJECT: Meeting for February

Jim Drolett had planned on having a meeting in February to vote on minutes from September and to decide the time and date for meetings in the year 2004. Since we will have an agenda item in March, it was decided that we could hold off on these two items until then.
